

Friend,

As a State Representative, it has been an honor to work with my neighbors to improve the place that we proudly call home. This year, I am running for **State Senate** for the opportunity to continue serving our community. I want to continue the good work we have done together, but I cannot do it without your support.

One quick, easy and effective way you can help is to participate in our “Friends and Family Program.” Please read the short letter below. We’d like to send it to your friends and family on your behalf. All you have to do is approve the letter by signing your name in the box below, and then list the names and addresses of friends and family who live in the District, which includes most of Rock Island County, parts of Henry, Knox, McDonough, Mercer and Warren Counties. Visit HalpinForIllinois.com to see the full map.

It’s that easy for you to get involved in our campaign and play an important role in our success! This personal contact is crucial, and I am confident your family and friends will read the letter when it arrives because it comes from someone they know and trust - you!

Thank you for participating in the Friends and Family Program! In the next few days, one of my volunteers will be calling you. I appreciate your support and efforts. If you have any questions, feel free to contact me at FriendsofMikeHalpin@gmail.com

Sincerely,

Mike Halpin
State Senate | 36th District

Step 1 - Read the following letter:

I hope this letter finds you well. I wanted to take a moment to write to you about a friend of mine, Mike Halpin, who I know personally and will be voting for in this year's general election on November 8, 2022.

As a former aide to Congressman Lane Evans, Mike Halpin will continue Lane's legacy to protect workers, veterans and our seniors. Illinoisans are hard workers and they deserve to have someone in the State Senate who will work as hard for them as they work for our communities.

We need Mike Halpin in Springfield because of his common sense approach. He will put families in western Illinois first and will stand up to the career politicians in Chicago who forget about us. Mike Halpin has a strong voice, a great work ethic and understands the issues that matter. That's why I am supporting him in this election.

If you need more information on Mike Halpin or would like information on absentee voting, early voting, need a ride to the polls or need help locating your polling place, email him at FriendsofMikeHalpin@gmail.com or visit his website at HalpinForIllinois.com.
